# HAKIMA AND HADI SEE ALLAH'S CREATIONS!

KISA KIDS PUBLICATIONS

Under the Guidance of Moulana Nabi R. Mir (Abidi)

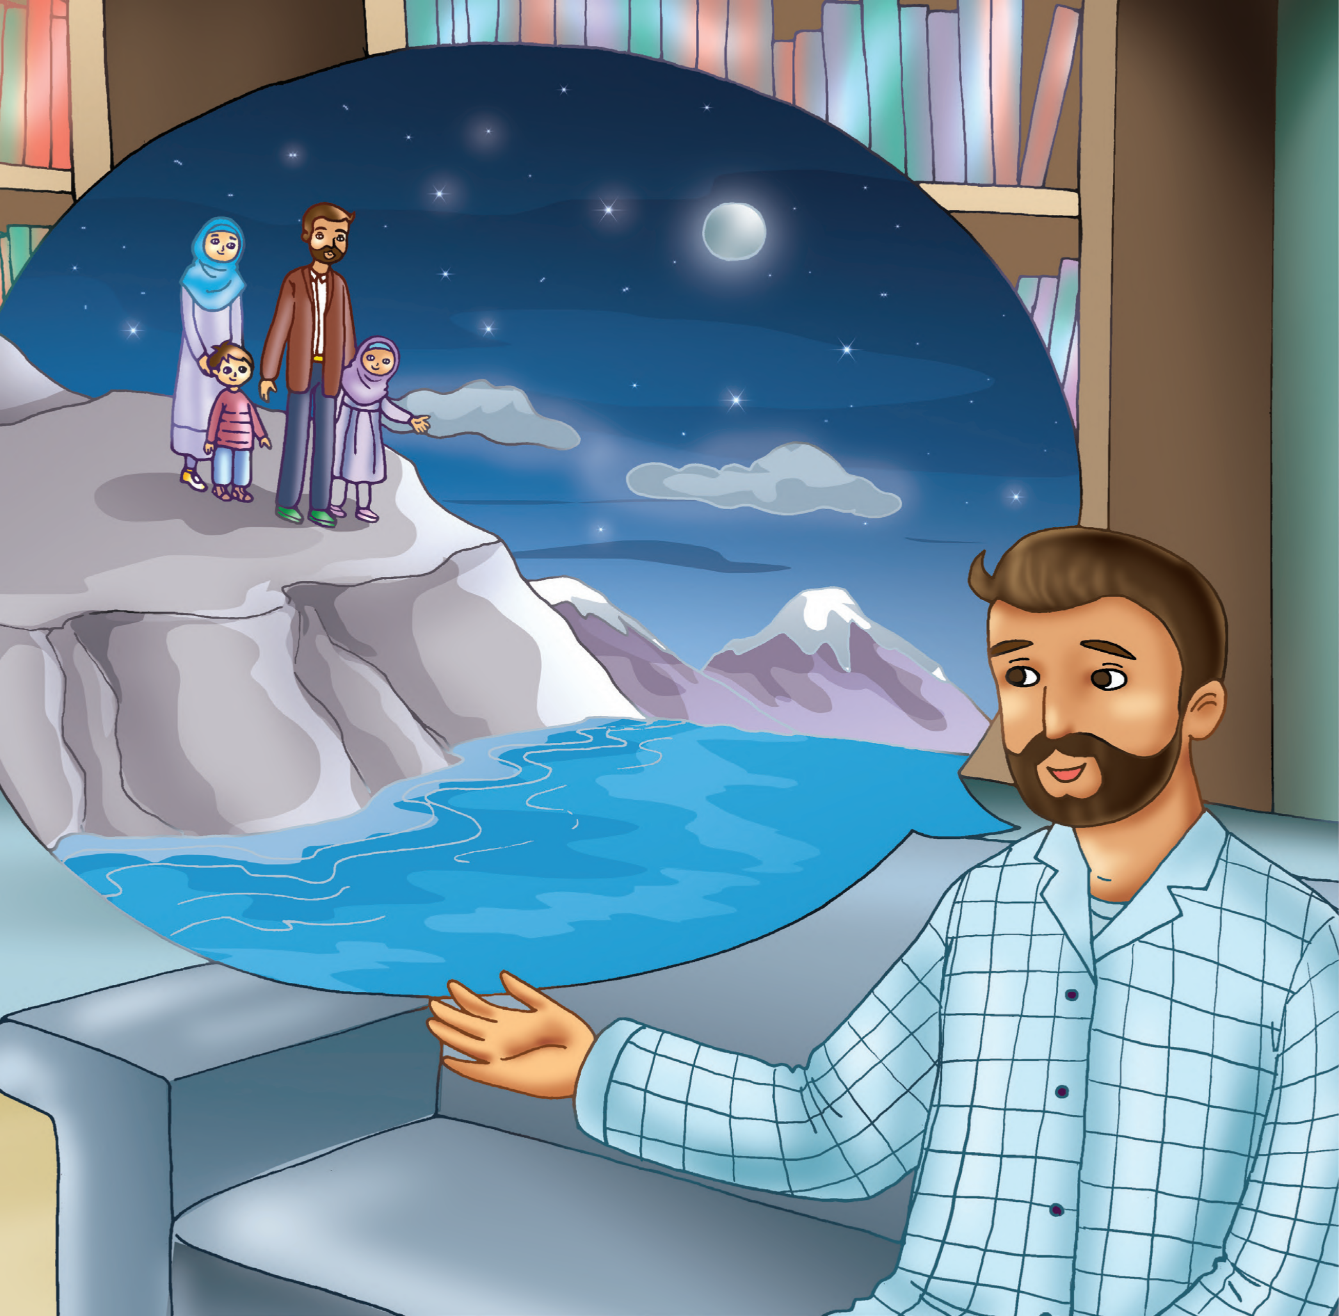
Every night, after putting on their soft pajamas,
Hakima and Hadi sit with Mama and Baba.
They can’t wait to see what tonight’s adventure will be,
and what things they will learn about Islam, their dīn![*]

---

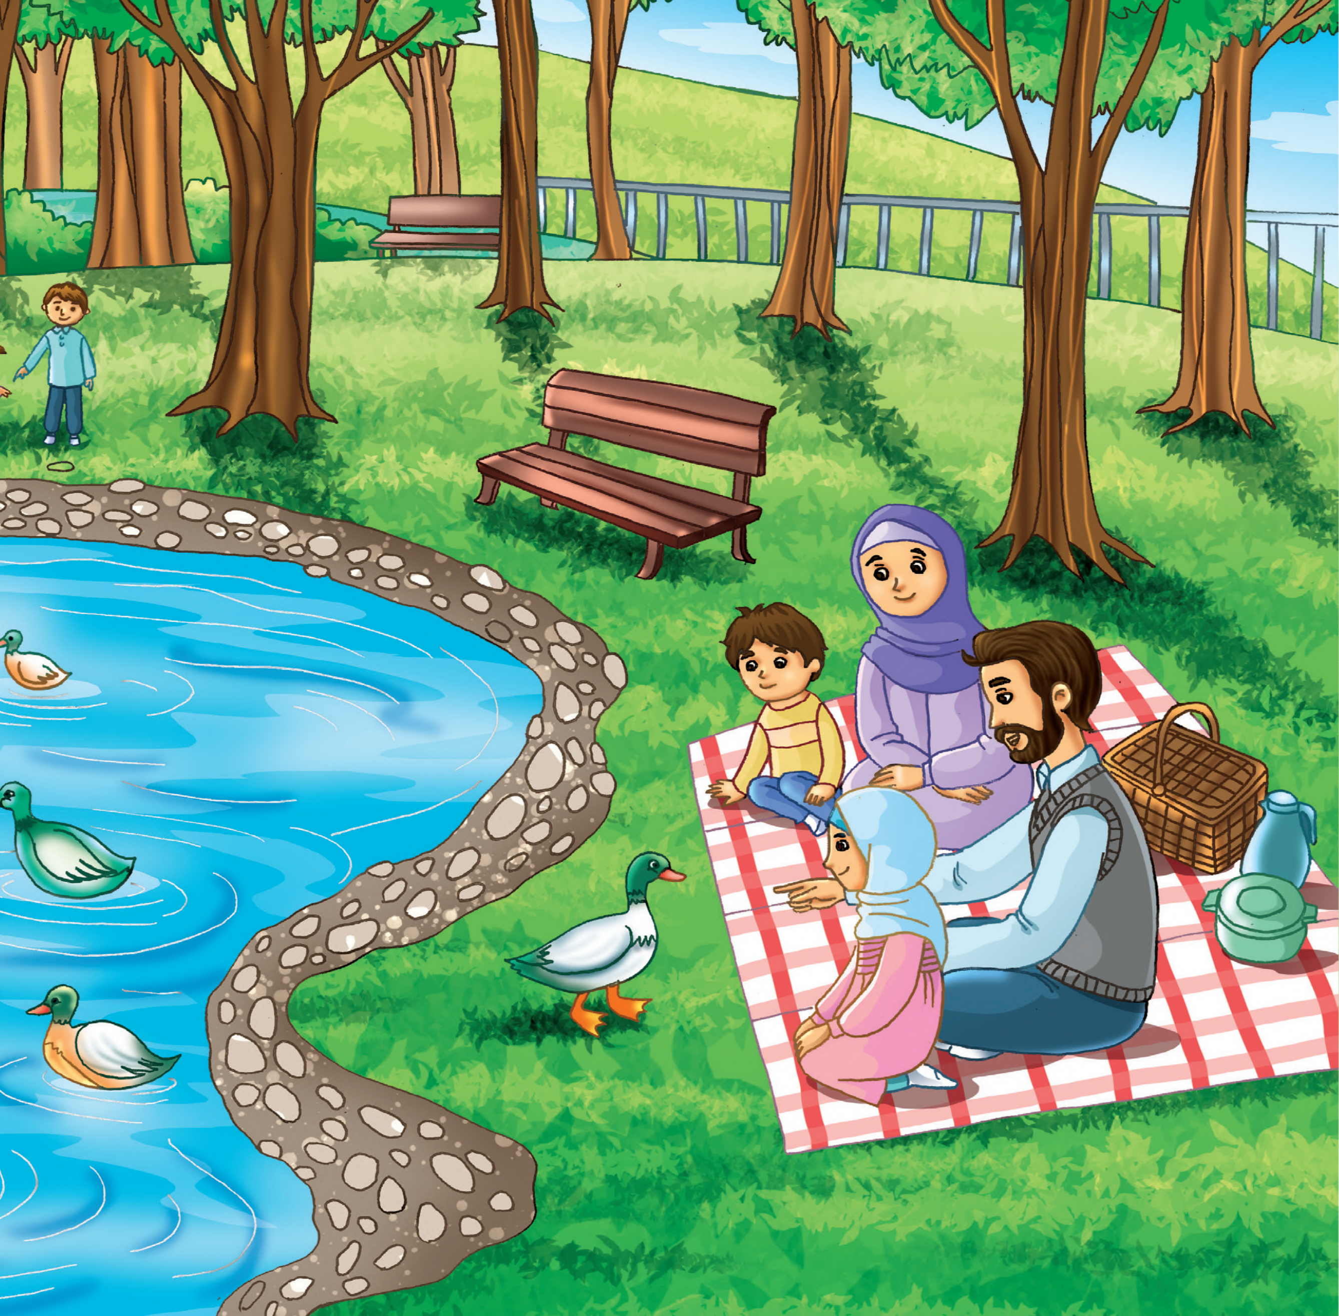
[*] ī is an elongated “e” sound, like “ee”



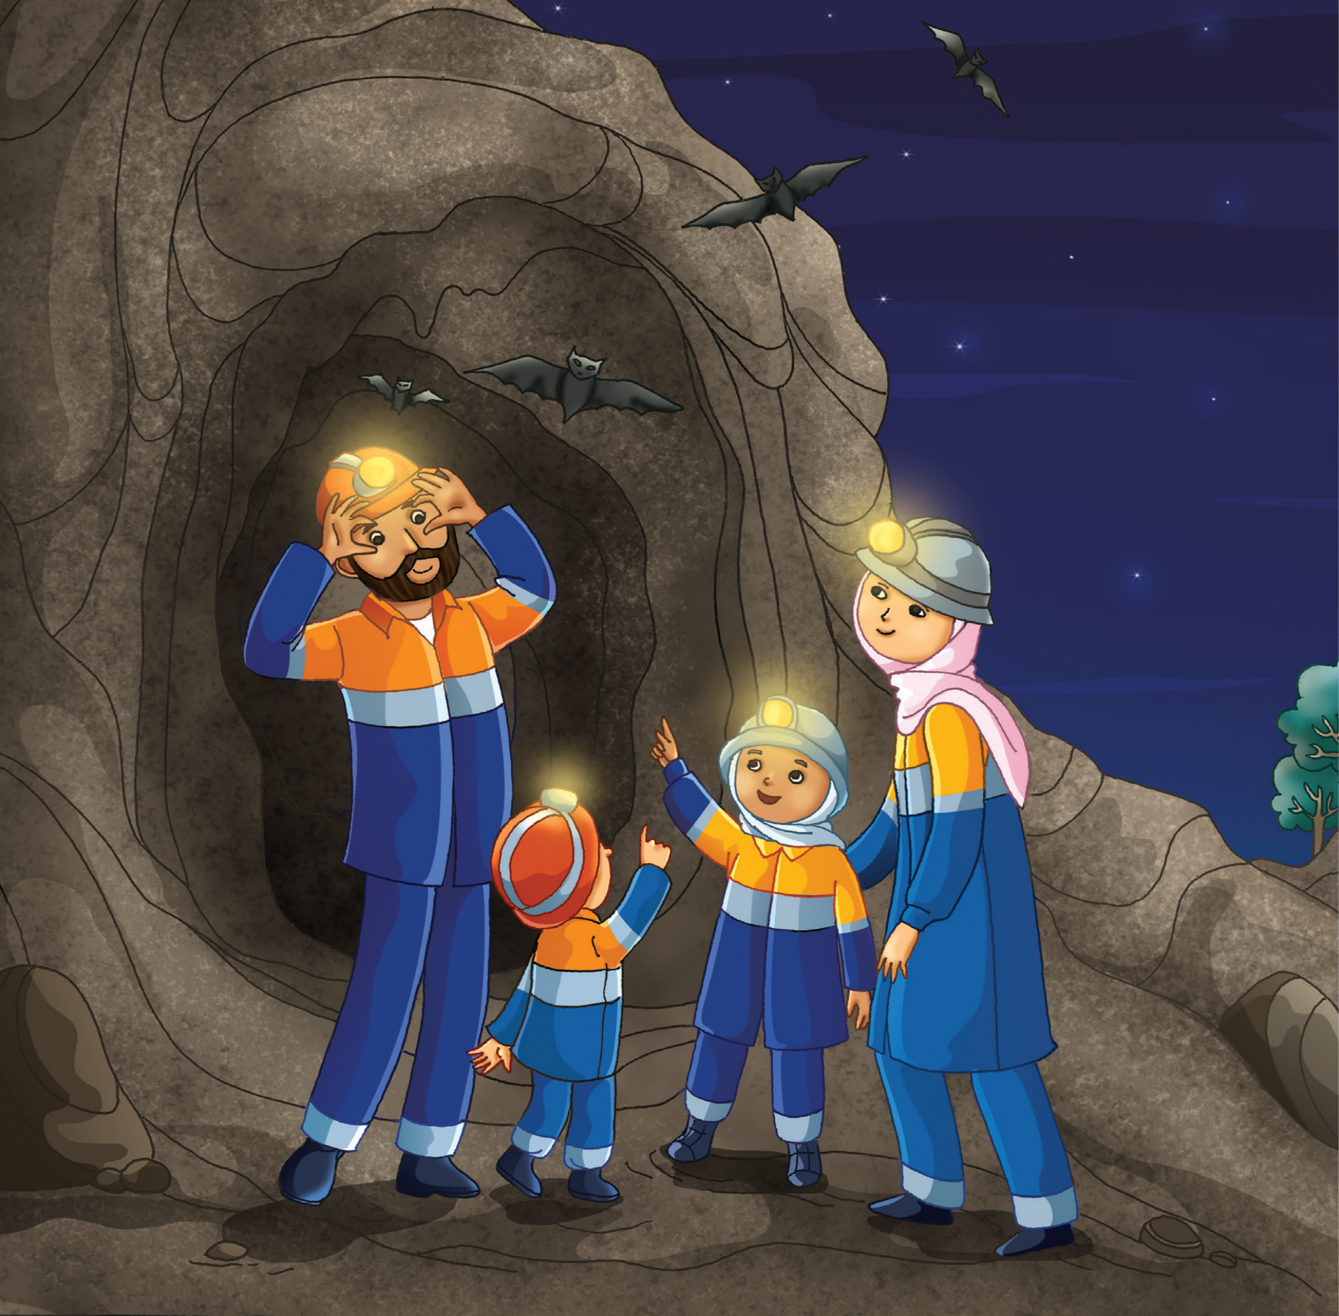
Baba asks, “Did you know Allah is *al-Khāliq?*[*]
He’s the Creator, who made everything perfect!
**When we see something beautiful, what should we say?**
**Subḥānallāh![**] Allah created things in a special way!**
Let’s go on an adventure so we can see
how Allah created things so beautifully!”

---

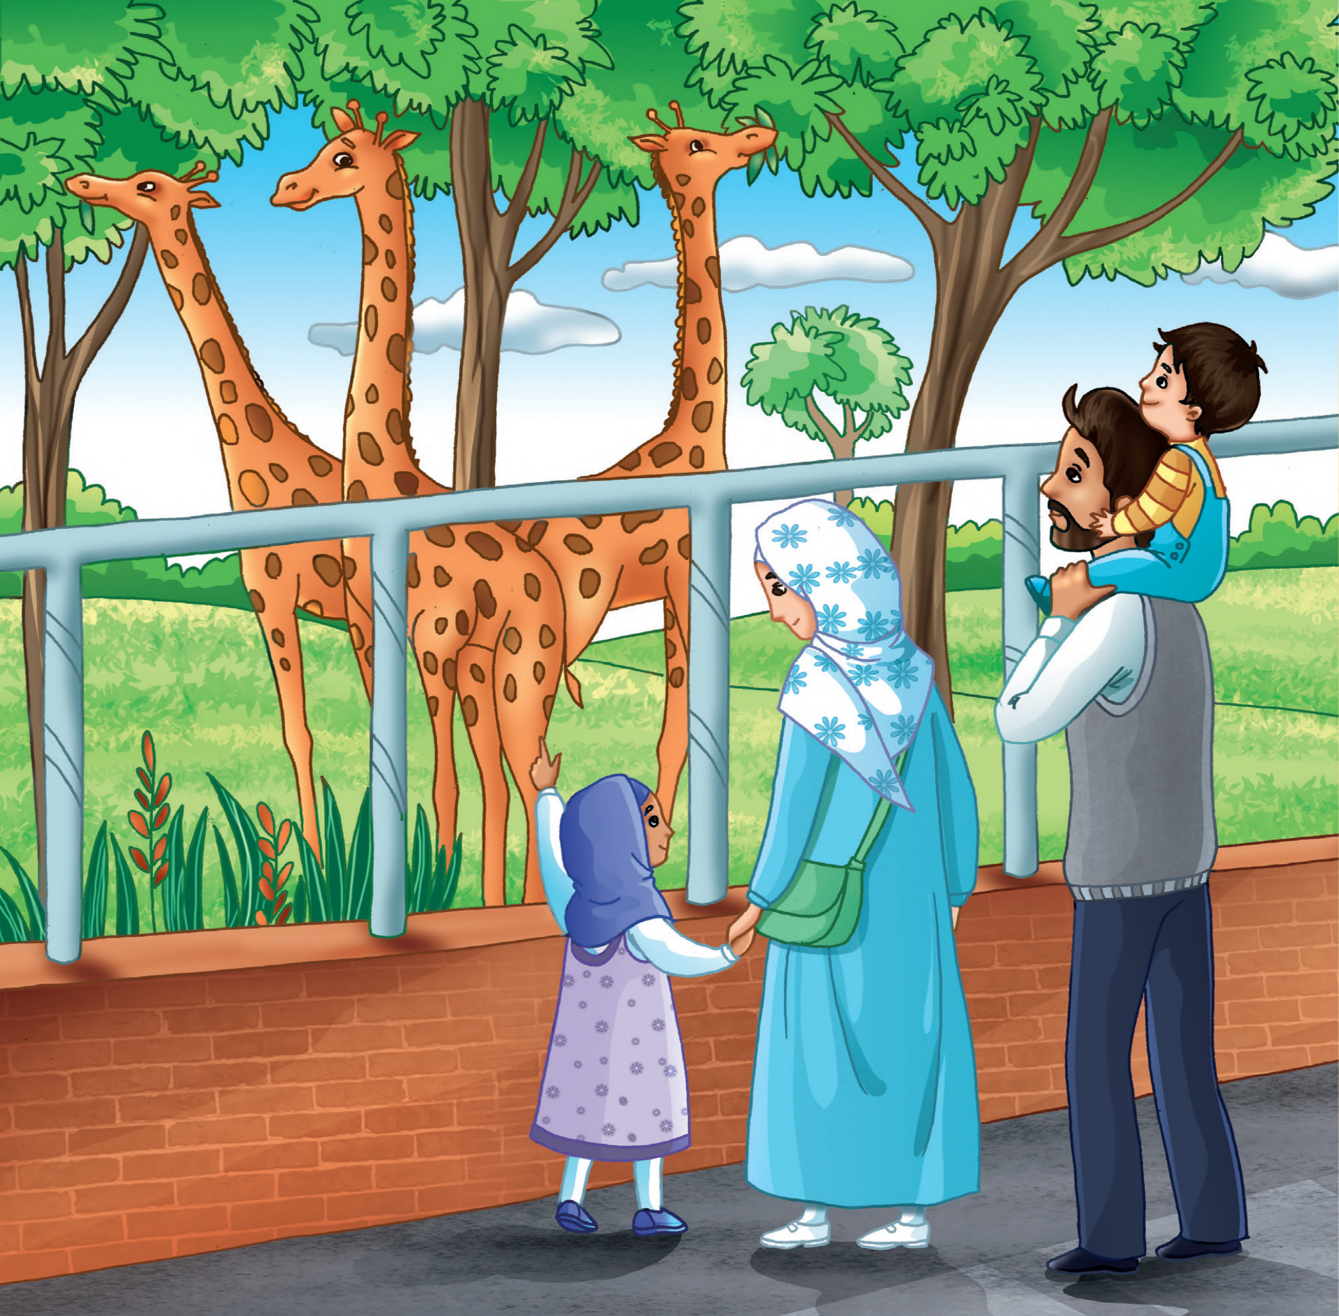
[*] ā is an elongated “a” sound, like “aa”
[**] ḥ is a heavy “ha” sound that comes from the middle of the throat



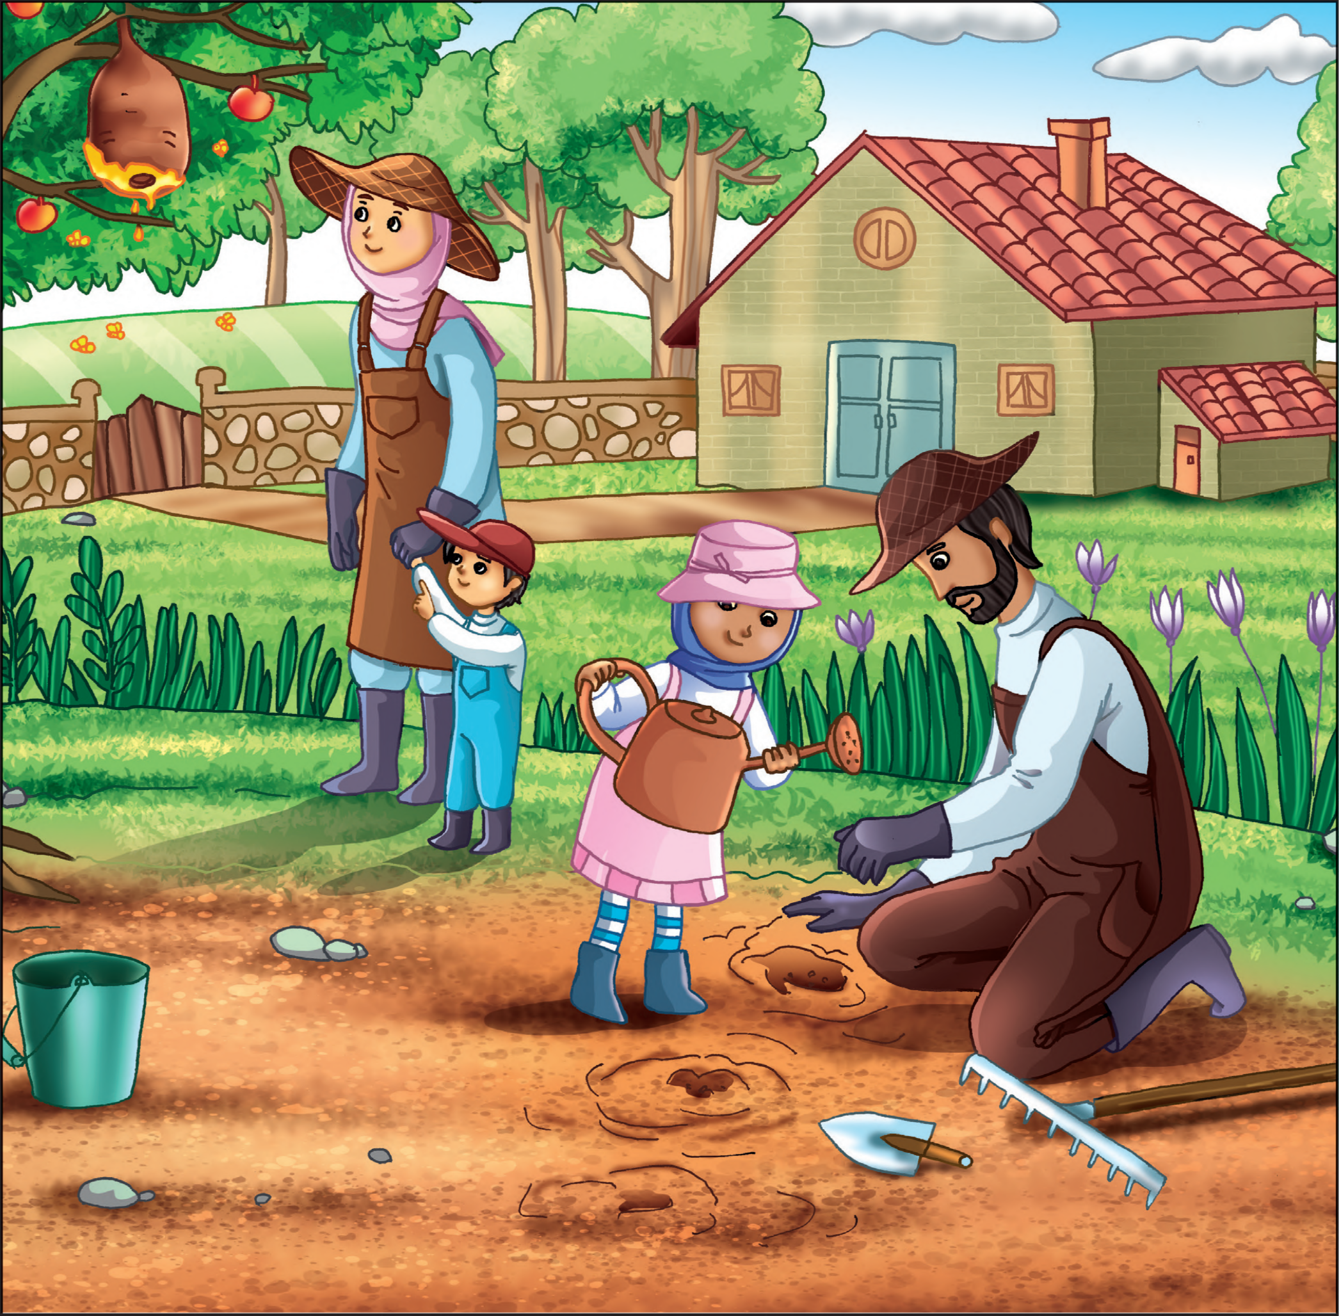
When we go to the pond, we can see
how Allah created ducks with special feet!
With these feet, the ducks can swim all day,
and in the pond, they can quack and play!
**When we see something beautiful, what should we say?**
**Subḥānallāh! Allah created things in a special way!**



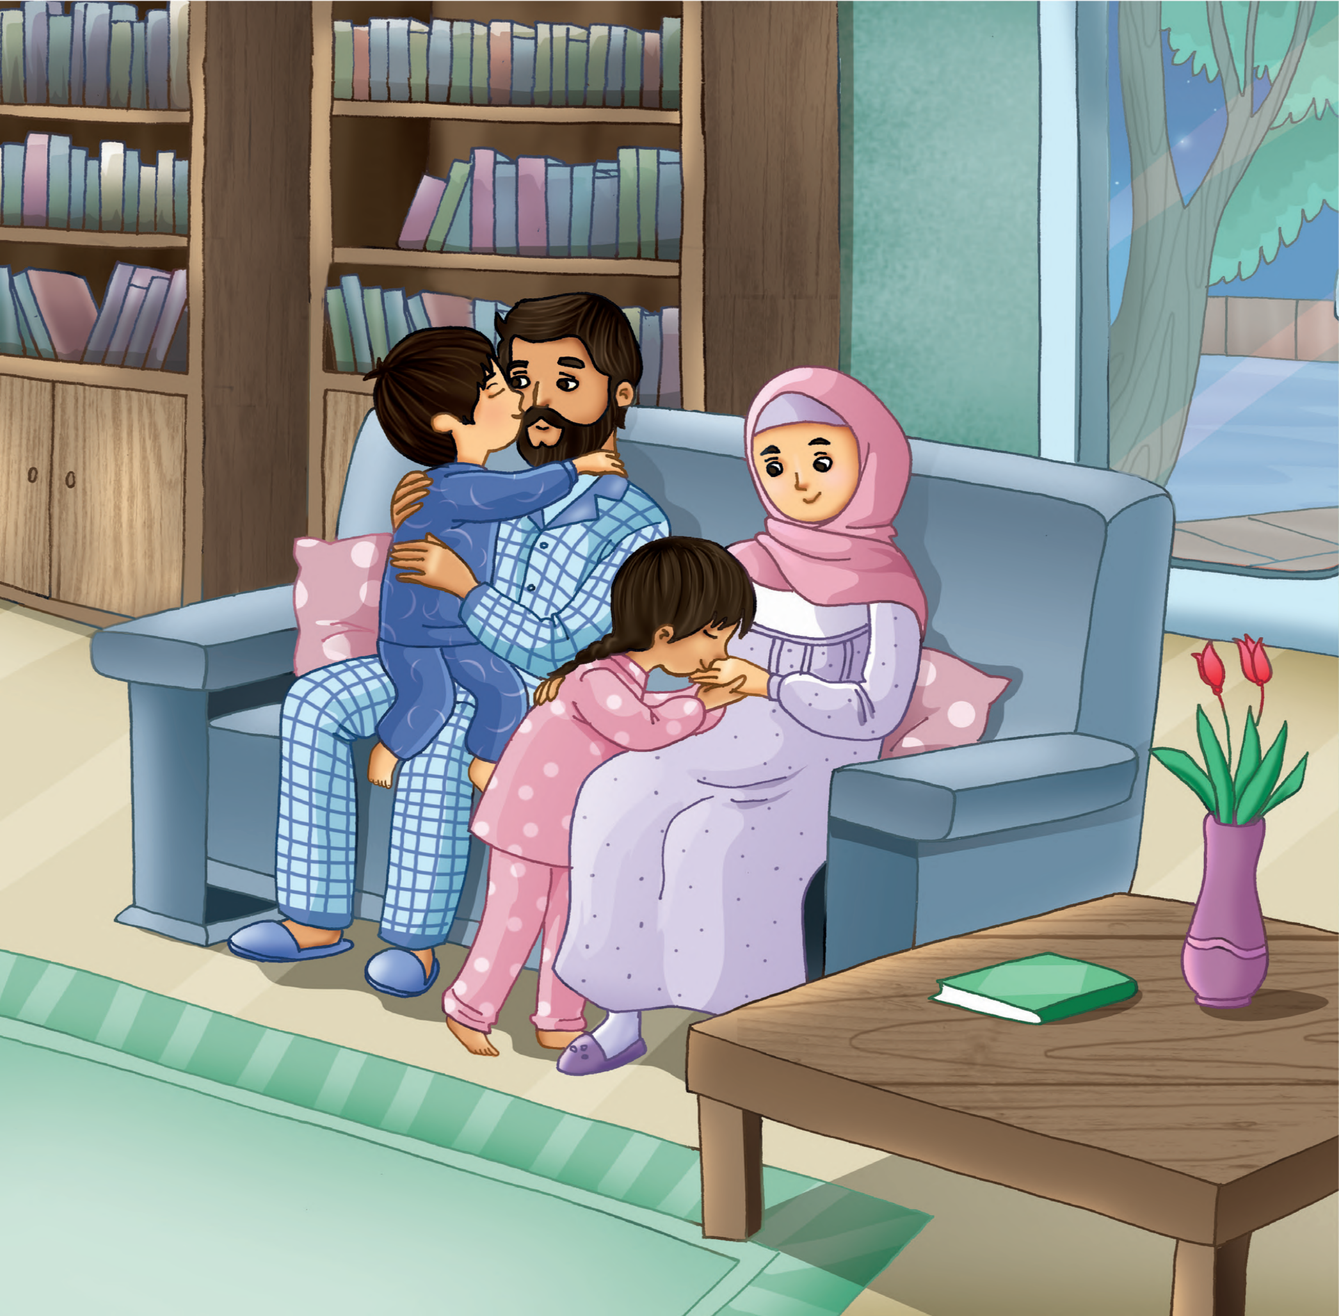
In the dark night, we see bats fly up high!
But it’s so dark they can’t see with their eyes!
They use their ears to find food at night,
in the dark when there is no light!
**When we see something beautiful, what should we say?**
**Subḥānallāh! Allah created things in a special way!**



When we go to the zoo, we can check
how Allah made giraffes with really long necks!
With these necks, they reach for their food,
and live happily inside the zoo!
**When we see something beautiful, what should we say?**
**Subḥānallāh! Allah created things in a special way!**



In the garden, we see the bees,
buzzing by the apple trees!
The busy bees make sweet honey
that tastes so yummy in my tummy!
**When we see something beautiful, what should we say?**
**Subḥānallāh! Allah created things in a special way!**



Before going to sleep that night,
they hug their parents very tight!
They kiss their hands and say, “Thank you”
for everything their parents do!
They can’t wait for the next day
to learn more about Allah, the Great!
